

Expect More

For Your 3D/4D Ultrasound Business!

More Exposure. More Credibility. More Appointments.

It probably comes as no surprise that the 3D/4D ultrasound market has become quite competitive over the years. On the plus side, more and more expectant parents are choosing 3D/4D ultrasounds. But the ultimate question remains...

Will they choose your facility?

We're here to make sure they do!

Our exclusive Business Services program was specifically designed to help 3D/4D ultrasound facilities dramatically boost their exposure, credibility and appointments. Only ONE facility in each area can take advantage of our services so don't delay...availability is highly limited!

Be the only facility in your area to benefit from our range of services.

Dominate your market with our marketing and publicity expertise.

Gain national exposure through Pregnancy Magazine, Pregnancy & Newborn, FIT Pregnancy and more.

Benefit from **highly targeted** national television advertising.

Strengthen your credibility with our Physician Medical Oversight program.

Enjoy a top-flight **professional image** with custom marketing materials.

Increase revenues with a wide range of exclusive marketing opportunities.

Boost your facility's exposure!

More Exposure. More Credibility. More Appointments.

It's All Within Your Reach.

"Our facility has been open for several years and we never approached the number of scans we achieved in only our first month with your services. We're very excited!"
